▶ **About Michael Rice**

NHK WORLD-JAPAN

With more than 280,000km of cycling clocked in Japan alone, Michael Rice is a man whose life revolves around bicycles. He is the Cycling TV programme presenter at NHK WORLD-JAPAN, the Japan Country Manager for CHAPTER2 Bikes, and has competed in World Masters races internationally.

His seminar will provide recounts of his unique touring experiences in Japan not depicted in your everyday tourist brochure, whilst giving expert advice on travelling from a foreigner's point of view.
