

NERANG LIBRARY SERVES UP A 'TURKISH DELIGHT'

Are you curious about all things Turkish, or simply interested in getting your hands on some Turkish delight? Either way you are invited to take advantage of Gold Coast City Council's Turkish extravaganza at Nerang Branch Library.

The 'Sights, Sounds and Tastes of Turkey' program has been created in conjunction with the Gold Coast chapter of the Australian Turkish Association to introduce Gold Coasters to different cultures in our community.

Chair of Council's Health and Community Services Committee, Cr Bob La Castra said the program would provide a valuable opportunity for locals to learn more about the traditional stories, food and culture of the Turkish community.

"And there's no reason for the children to miss out on the fun because they can take part in our story time sessions and craft activities offered in our 'Children's School Holiday Activity' program," he said.

The children's program boasts two traditional Turkish stories that use good-natured humour to entertain and teach valuable life lessons. Children will also be invited to try their hand at Turkish weaving with paper.

"Your taste buds will thank you for coming along to our 'Sights, sounds and tastes' session where sweets such as Turkish Delight, stuffed vine leaves and lentil balls will be served whilst you're entertained by a traditional Turkish guitarist."

The 'Children's school holiday activity' session will be held on Thursday 5 October from 10 to 11am at Nerang Branch Library, on the corner of Price and White Streets, Nerang, and the 'Sights, sounds and tastes' will be held on Thursday 5 October from 11am to 1pm.
