

## **Pathway to Southern Cross University**

Southern Cross University's free Preparing for Success Program is now being offered to Tweed and Gold Coast residents at evenings and weekends.

The course is useful for school leavers or TAFE students who have taken the vocational strand of learning but would now like to go to university, or for those who have spent time away from the academic environment for family or personal reasons and want to brush up their skills.

Graduates of the program gain grades which are translated to a tertiary entrance rank that can be used to apply for a degree at Southern Cross University. The program has been specially tailored to meet the needs of degrees offered at Southern Cross University.

Classes will be held at the Tweed Gold Coast campus on Monday, Tuesday and Wednesday evenings and Saturday or you can study by distance education. There is no course fee for the Preparing for Success Program.
